HISTORY

Civil Affairs has been a part of U.S. military operations since the formation of the Continental Army during the American Revolution. In Operations Uphold Democracy and Maintain Democracy, Civil Affairs worked in ministerial adviser teams helping reestablish Haitian government ministries. From Operations Joint Endeavor to Joint Guardian, Civil Affairs coordinated efforts to restore Bosnia's infrastructure. Additionally, informing and educating Bosnians of landmine dangers. Civil Affairs continues to help restore order and rebuild wartorn nations through the present day.
